

Friendship Train

Motions to accompany the song

Note: This song is fun to do while sitting in a circle.

The Friendship Train
has come to town!
The Friendship Train
has come to town!

Who-o-oo!
Whoo-who-o-oo!

The Friendship Train
has come to town!

Put on a smile

and drop that frown.

Chorus

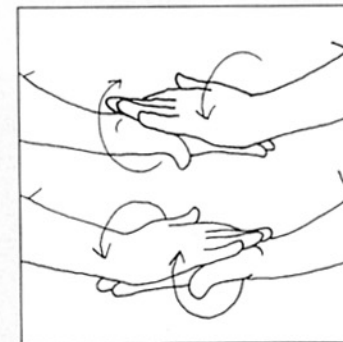

Grab a friend
and climb on board

while the engineer pulls
that happiness cord.

Everyone is free to
take a ride

if they have a friend

by their side.

This train will stop

at the rainbow's end

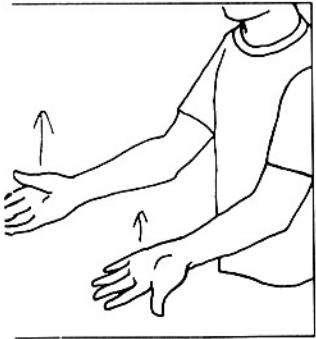

for all those aboard
who have brought a friend,
for all those aboard
who have brought a friend.

The Friendship Train
has come to town!
The Friendship Train
has come to town!

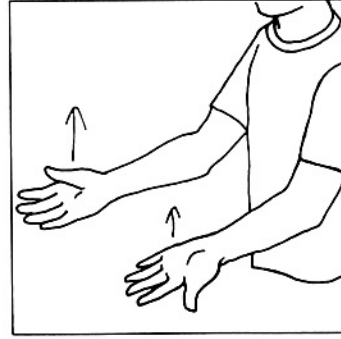

Whoo-ooo!
Whoo-who-ooo!

Reach out!

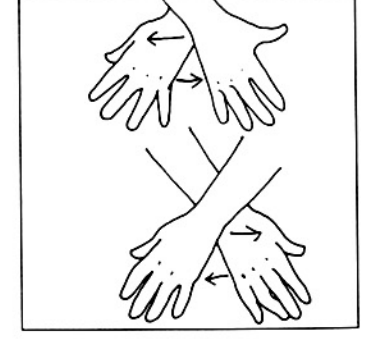

Jump up!
Touch the sky!

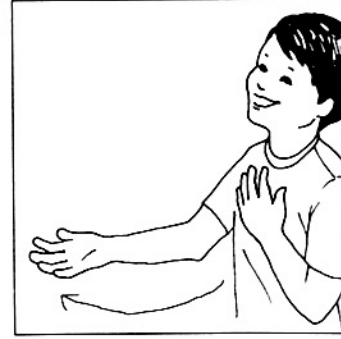

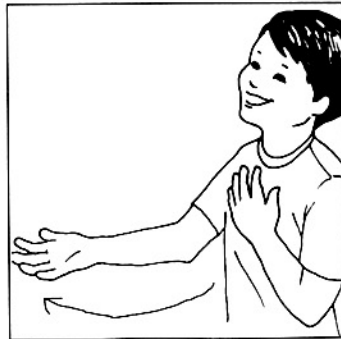

Reach out!

Jump up!

Don't be shy

Repeat Chorus
